

News and Notes for VMS Families

Parent Conferences

Sign up in your child's classroom for a conference in February. You will have the chance to review your child's current report card and get a mid-year update on progress in all areas.

Re-Enrollment

The VMS re-enrollment period is now open until March 1. If your child will be continuing at VMS next year, we ask that parents complete an enrollment form for the 2016-17 school year along with a \$100 re-enrollment fee per family, which goes to the VMS Parents Association. After March 1, enrollment will open to new students.

Valentine's Day

We will have a Valentine's Day celebration at school on Friday, February 12. Your child is welcome to bring cards to share with classmates.

Our celebration will include a treat that can be enjoyed by all students that day. For the health and safety of all students, please do not allow your child to distribute food items or candy.

Personal Items

Please help your child to remember that personal items, including toys, pens, etc. are to remain at home. We need your help in minimizing the distraction that these items create. VMS is proud to provide all of the materials that your child needs to complete work throughout the day.

If your child has an item to share, such as a book or item that is related to something we are learning in school, that item is welcome to stay for the day.

Gardening Fundraiser Coming Soon

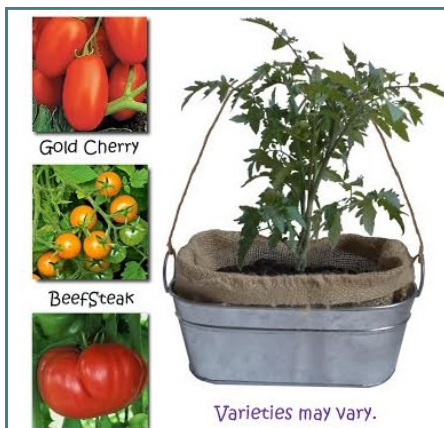

Starting February 1, VMS students will begin the Gardens 4 Education fundraiser to raise funds for our school garden.

Garden kits are on sale for \$15 each and contain a grafted tomato plant with three delicious varieties of tomatoes on one plant in a

reusable storage tub.

Orders may be placed between February 1-12. Plants will arrive in mid-March in time for Spring planting.

Thank you for your support!
